

Connecting with After School Resources • Fall 2009

About this guide

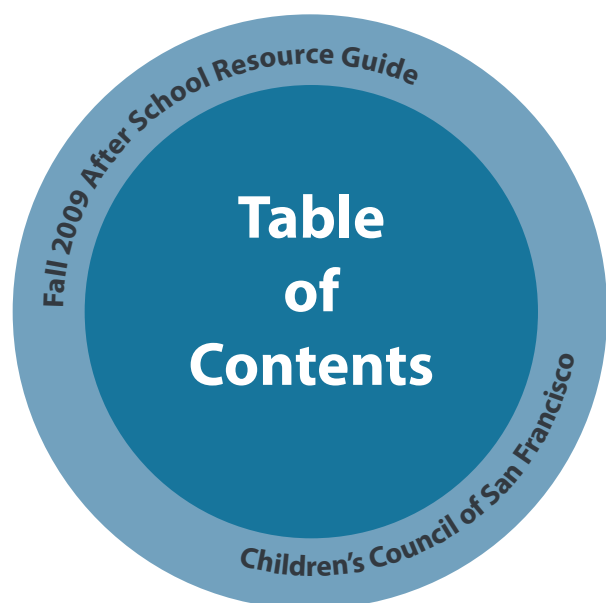

This guide features after-school programs for the beginning of the school year as well as the winter and spring semesters. Many of the programs have waiting lists for enrollment and scholarships or reduced-fee packages. These programs fill up quickly, so early registration is recommended.

All program details are subject to change. For the most up-to-date information, please contact the programs directly.

Children's Council does not endorse or recommend any specific program included in this list. For free advice about choosing the program that best meets your family's needs, please call our Resource and Referral department at (415) 343-3300. Our bilingual (English and Spanish) counselors will be glad to offer assistance in using this guide, or to answer any questions you may have about it.

This resource list was compiled and reviewed by the Communications and Marketing Strategist at Children's Council. If you wish to make a correction to the listings, or if you would like to include a program in the next edition of the guide, contact Sarah Wall at 415.343.4711.

La siguiente es una lista de programas de niños y jóvenes para después de la escuela. Si necesita ayuda o tiene una pregunta acerca de la lista, por favor llame al número 415.343.3300.

Did you know...

Lack of adult supervision for both children and adolescents have been linked to:

- Increased likelihood of accidents and injuries
- Lower grades and achievement test scores
- Greater likelihood of experimentation with alcohol, tobacco, drugs and sex
- Teen pregnancy

Connecting with After School Resources • Fall 2009

Children's Council of San Francisco offers an array of programs for parents and child care providers alike, including:

- Free child care resources and referrals for families seeking child care, in English, Spanish, Chinese, Russian, or Vietnamese
- Child care subsidies for eligible families
- Reimbursement for nutritious food served by providers to the children in their care
- Support for providers wishing to make their programs accessible for children with disabilities and special needs
- Support for parents and staff working with children who exhibit emotional problems or challenging behaviors
- Professional development workshops for child care providers
- Child care policy, advocacy, and planning efforts

For more information on our efforts to to make safe, healthy, and affordable child care available to all who need it, contact us today.
